CUSTOM HOMES

Thank you for the opportunity to provide outstanding customer service while providing you with exceptional quality throughout your home building experience. I have been building residential homes for the past 20 years. I have constructed over 50 homes in Anacortes, Oak Harbor and Coupeville. My team of design professionals, engineers, subcontractors prides themselves in making the process of building your dream home exceptional by having attention to detail and being extremely dependable.

KEY SKILLS

- Design Build
- Cost Breakdown Details
- Scope of Work
